Description

A Beautiful Large Antique French Mirror. Of good size standing as just over two meters tall and one meter wide. Having its original period time worn twin plates. The gilded crest with carved fruit and flowers. The frame with attractive classical slip decoration and rosette detail to its corners. The grey green paint to the top has a good patina and the mirror is a real looker which in our opinion has it all! Ideal placed in a lounge or used as a bedroom or hall mirror.
