Description

Good clean set of Georgian elm kitchen or dining chairs comprising 1 arm chair and 5 single chairs. The chairs are all structurally sound with no loose joints. The upholstery is also good but you could change the covers if required. The chairs are a lovely design with square tapered legs united by stretchers with a nice design back with carved decoration. All the chairs are a gorgeous colour with original patination and a waxed finish. Would look great in a kitchen around a nice farmhouse table. SIZES; Arm chair is 20" wide by 18" deep by 35" high. Singles are 18" wide by 16" deep also 35" high. Seat height is 17". CIRCA; 1800 - 1820
