Description

A fine lidded quart tankard made of Old Sheffield Plate. Bearing no makers mark, but dating to c1780-1800 and with a beautiful visible seam. With a turned wooden base and a false bottom. The condition is very good overall with no dents or splits. There is very slight copper bleed to the raised edges and a small old repair to the thumb piece, but it is still very firm. The interior is reasonably clean with little sign of wear. Weight approx 695g. Height approx 20cm. Span approx 17cm. Base diameter approx 13cm.
