Description

Gents 1930s Art Deco wrist watch. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The watch measures 26mm wide excluding the winding crown and 34mm high excluding the lugs. The case is rolled gold and it is in good condition with just some wear to the plate on the back of the watch, not too serious at all, just along the angled edges. Nicely patterned detail down to the two sides of the watch. The glass lens has a small mark but is very acceptable. The two tone dial is in its original finish with original hands, a subsidiary seconds dial and outer minute markers. There is some marking to the finish. A 'new old stock' strap has been fitted. The watch comes in a period presentation box from a Birmingham retailer.
