Description

A very handsome French antique pine double wardrobe, very tall (85.5"), with 2 beautifully panelled doors and side panels, and a Cornice top. The doors are mounted on typical French external brass hinges, which allows the doors to open fully which could be useful. A hanging rail could be fixed below the shelf, or I could remove the shelf, and fit the rail at the top if required. With an internal depth of 20", plenty of hanging space for large coats/suits etc. This wardrobe totally dismantles for delivery, so should go up any stairway. I can usually come and delivery myself, and assemble it for you. Just let us know where you are and we can give you a quote for this. If you're too far away (I personally deliver to most areas of the country), we can get a quote from one of the delivery company's we use. If necessary, the feet could be removed which would reduce the height by 3 1/4". Currently in bare wood having recently been stripped, can be purchased for £1100 as it is, or £1225 if you'd like us to wax it for you. Height: 85.5", w...
