

SA990211

A large pair of 16th century mythical panels.

Price

Sold

Item Reference: SA990211

Date of manufacture: 16th Century

Dimensions

Height = 48.5 cm (19.1")

Width = 20.5 cm (8.1")

Depth = 2.5 cm (1.0")

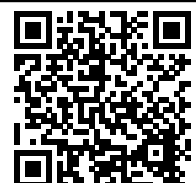

Description

A large pair of 16th century panels depicting mythical sea creatures, originating from France. The panels depict a pair of beasts with their beaked like faces and protruding tongues, with serpentine scaly bodies. The panels have some signs of old wood worm damage and old corner repairs commensurate with age. They have a superb dark patination and are a real collectors piece.
