Description

Lovely Georgian mahogany chest of three long drawers of smaller proportions, circa 1810. This chest of drawers has three full width drawers, finished with a fine ebonised banding to the edge and all running well and with later Regency style brass handles. Great size for a smaller bedroom but also this size works really well in a living room scenario too. Consistent rich colour and grain to the mahogany. The condition is good with some signs of age and use, but it has aged gracefully and the photos don't really do it justice! Measuring: 32 3/4 inches or 83 cm high 35 1/2 inches or 90 cm wide 17 1/2 inches or 44.5 cm deep
