Description

Beautiful near mint original condition, professionally serviced with a 12 month warranty. This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. It is of heavy solid 18ct gold weighing at 42g. Everything about this watch is in near mint condition. It is quite stunning with a white silver dial and black and gold hands and baton markers. The bracelet itself is just incredible, very fluid around the wrist and the design is extremely rare and of course it has the Rolex logo on the three position adjustable clasp. The watch has been professionally cleaned and polished so it is absolutely pristine. As you would expect it is marked Rolex on the dial the manual winding Precision movement. The calibre 1400 movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking, the model reference number is 3030. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 16mm wide not including the crown. It fits a wrist size from 15cms to 16.5cms....
