Description

An attractive and well proportioned stripped pine bank of drawers. The rustic bank of drawers features twelve square drawers in a two row arrangement, each with metal D cup handles and label holders. A rather pleasing example, full of authentic charm and character. Finished with a fresh coat of natural wax. Item Ref; M-4740 . DIMENSIONS: Height - 123cm / Width - 61.5cm / Depth - 47.5cm . CONDITION REPORT: In good condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured), also a shrinkage split to the top (pictured). The stripped pine bank of drawers remains structurally solid and sound, with the drawers running well (one slightly stiff). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
