Description

One of the nicest carriage clocks we have had for sometime. A good and large example, with a gilt mask and enamel dial with fretted hands and gilt Roman numerals. The eight day movement striking the hours and a half hour on a blue steeled gong, giving a lovely mellow chime. The whole Clock exudes quality, with its impressive reeded pillars with Corinthian capitals, over a stepped moulded base. A clock of this quality would only have been made for one of the finest of homes. For further Clocks of interest Please visit our website. www.frankcraigantiques.com.
