Description

Large newly upholstered geometric print centre footstool or ottoman on these wonderful 19th century turned mahogany legs. Just a little larger than most I have so this will give a bit more room for a tray etc and space to put your feet up too. Very solid frame and with it being completely newly upholstered, this large stool can happily seat two or three adults if extra occasional seating is required. Measuring: 15 3/4 inches or 40 cm high 42 inches or 107 cm wide 30 inches or 76 cm deep

Internal Ref: Mc0505
