Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Omega Seamaster Oversize from 1965 with calibre 562 fully automatic 24 jewel movement widely considered to be one of the most reliable Omega movements ever made. The model reference number is the rare 166.011 oversize. The silver dial with faceted lozenge markers is quite superb having been fully restored. It has the Omega symbol on the winding crown. It has its original beads of rice bracelet which fits a wrist size of up to 7 3/4 inches. It also comes with a leather strap of your choice. A new glass has been fitted and the case and bracelet have been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 36mm in diameter not including the crown which makes this an oversize. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled.
