Description

A lovely antique extending refectory table dating from the early 20th century. The planked top stands on large shaped ends with a central stretcher. It has two extra leaves which pull out from the ends of the table, expanding it from a 4-seater up to an 8-seater. It is a very sturdy table and is in good condition for its age. The oak has a lovely warm patina. There are signs of age and use, some surface marks and a small repair to a chip on the base but no major damages and overall it displays very well. It has been gently cleaned and polished and is ready for use. Approximate Dimensions: Width : 48" (122 cm) Width with leaves : 78" (198 cm) Depth : 33 1/2" (85 cm) Height : 30 3/4" (78 cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
