Description

A French Napoleon III Armchair, late 19th century, with square back, scroll over arms and sprung seat. The chair is structurally good with no issues to the seat. The orange velvet is very grubby and probably beyond saving. I can arrange re-covering with my upholsterer and supply fabric if required. Please contact me for further details. 93cm high, 80cm wide from outside arm to outside arm, the seat 49cm deep and 34cm high (I can have brass castors added to give extra height if required).
