A charming country-made
beech chair, c.1900

Price

Sold

Item Reference: SA991130

Date of manufacture: 1900

Dimensions

Height = 98 cm (38.6")

Width = 36 cm (14.2")

Depth = 36 cm (14.2")

Description

A chair of real character...with a jaunty lean to the back! The chair is sound, but the proportions would ideally suit a hall or bedroom. I like the square-section frame which is less typical in a chair of this type, and the chamfering at the top is a nice touch. There are a handfull of historic worm holes, a few isolated spots of white paint to the frame and seat, and some loose strands of rush to the underside. If you would like some additional images, just drop me a line. Reliable transport can be easily arranged at cost price throught the UK, please let me know if you would like a quote.
