Description

The workmanship of these Victorian earrings is just fabulous. They are rendered in high-carat gold, at least 15 carat, which you can see in the beautiful rich colour. Supplied with their fabulously regal original fitted box, silk lined in deep indigo blue, with a crown logo and "J. Edmonds, 67 Baker Street, London" hand blocked in gold lettering. • Condition: In very good antique condition. There is a tiny ding on the back of each earring if you look very closely at the photos. They would originally have had some kind of dangling ball hanging in each circle but sadly these are lost in the mists of time. • Fixing: Sturdy ear wires, supplied with tiny silicone "keepers" to pop on the ends for additional security. • Era: Victorian. • Size: Approx 3.5cm drop from the top of the ear wire x 2cm. • Weight: 4.5g.
