Description

An Edwardian silver mounted scent bottle with clear hallmarks on the collar for Birmingham 1908 and makers mark for Charles May & Sons. The ornate silver hinged lid and collar are mounted on a royal blue lead crystal cut and faceted base, with a central large diamond facet on each side surrounded by faceted triangles. The bottle has a stopper and the colour and facets, when held in the light, give the bottle a jewel like quality. Excellent condition.
