Description

This is a highly attractive and exhibition quality antique Victorian Corinthian column design brass telescopic floor standard lamp now converted to electricity, circa 1890 in date. This splendid lamp features a distinguished Corinthian capital over the reeded column rising from a large square base with four fluted feet. The lamp has been rewired and it is ready to grace your special room. The craftsmanship is second to none throughout all aspects of this floor lamp and it is sure to add an unparalleled touch of lighting to your home. Condition: In excellent working condition having been beautifully cleaned and rewired in our workshops, please see photos for confirmation.
