Description

A lovely small tea caddy dating from the early 19th Century. It is made from mahogany with a nice rich colour and it is edged in boxwood stringing. It has a diamond shaped escutcheon and comes with a working key. Inside, it has two lidded compartments with small metal knobs. It is in good condition for its age. There are some signs of age and use, some minor marks and knocks and small losses to the stringing but no major damages or anything detrimental. The inside is generally clean and tidy. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
