An absolutely stunning pair of antique French solid marble & gilt bronze table lamps by Susse Fres. They were made in France, and date from around the 1900-1910 period. The quality is outstanding, they are made from beautiful green marble, with extremely high quality gilt bronze mounts. The details are gorgeous, they are very well made and very heavy. The shade holders have lovely gilt bronze pine cone finials, and these come with a pair of superb vintage silk shades that compliment the lamps beautifully. The gilt bronze is stamped "Susse Fres", these are in excellent condition for their age. We have had them re-wired and PAT tested, they are in good working order.
