19th Century pen and ink hand drawn dance picture

Price

Sold**Item Reference: SA991716****Date of manufacture: 19th Century**

Description

This is a most unusual find. Each set of figures have been individually drawn as stick men and women. Each small sketch has an accompanying caption and refers to dancing, dances and dance etiquette. It is naive but utterly charming and most likely a one off. Very good order. Frame has a couple of minor losses to the corners, see photographs. Picture measures 18 x 19.5 cm Frame 25 x 27 cm
