Description

This is an antique life pool scoreboard. An English, mahogany 12 player board by Thurston & Co, dating to the late Victorian period, circa 1900. Charming scoreboard for the 19th century pocket billiards game of Life Pool. Displaying a desirable aged patina and in good order. Select stocks show fine grain interest and rich caramel hues. Dressed with a pair of small brass mounting loops, for ease of wall hanging. Wonderful pediment form with a wide crown moulding in the classical manner. Celluloid player markers to the left-hand edge sit alongside painted player ball colour labels. Sliding to the right, each ball colour reveals three inset markers - or lives - for scoring. Maker's emblem to the pediment for Thurston & Co - Catherine Street, Strand in London. Details the royal appointment granted by Queen Victoria and The Prince of Wales, Prince Albert. This is a fascinating antique life pool scoreboard with fine quality and interest for collectors of billiards and snooker history. Solid joints and construction, delivered waxed, polished and ready for the home.
