Description

This is an antique decorative fire back. An English, cast iron hearth panel, dating to the mid Victorian period, circa 1850. Charmingly decorative relief, ideal for adding interest to a traditional fireplace. Displaying a desirable aged patina and in good original order. Slender cast iron form with excellent relief casting. Presents a good, consistent graphite finish throughout. Set within a foliate border, two musicians play their trumpet and marching drums. This is an appealing antique decorative fire back, usefully narrow for the smaller fireplace. Delivered polished and ready to use.
