Description

This is a great looking 19th century solid oak refectory table from a farmhouse in Cheshire. Originally thought to be used in a bakers as there is evidence of a slated lower shelf which has since been removed. It makes an ideal kitchen prep table or dining table (We can remove the side stretchers if you prefer). The overall size is great making it possible for 8-10 to sit around it comfortably. Condition is very good as well and the top has fabulous figuring to the timber. Height 74cm Length 244cm Depth 73cm Price includes UK mainland delivery
