Description

Antique silver pocket watch, Lancs Watch Company. The watch has an English stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside the two case backs for Chester 1900 with a sponsor's mark for Thomas Hewitt of the Lancashire Watch Company. The case is in very nice condition. The glass lens is in lovely condition. The dial is signed with the name of the original retailer of the watch, J Marshall, 68 Granby St, Leicester. The dial has its original pin-set blued steel hands, a subsidiary seconds dial and outer minute markers. There are a couple of faint hairlines to the dial but they are difficult to see with the naked eye. The watch comes in a vintage presentation box.
