Description

1 Large Danish Fine Art 19th Century Victorian Oil Painting A Plough Team Farmer Wearing Top Hat & Nordic Farm Dog At Rest. Subject. Portrait of a Danish Farmer resting on a thick grassy green sloping hill, he is sitting down, his primitive livestock bowed wood fencing, He is wearing a brown tall country hat together with traditional farming clothing. He is holding a long curled smokers pipe. His loyal best friend a nordic brown farm dog is just in front of him sitting up and looking towards his master with love in his eyes. A large brown beer jug is on the floor just beyond. You can see a small green tool box container right the farmers foot, which has a blanket folded and placed over, the tool box lid is nearby. Next to the farmer on his flank is a Victorian hand push plough which has his black overcoat jacket placed over. On his other flank are 2 large Danish horned cattle of which one is resting laying down looking towards the viewer and the other is standing nearby facing left. Further back views of a freshly ploughed dark earth brown sloping field which is now ready for planting crops. Overhead mainly overcast grey sky above with spots of blue coming through near t...
