Description

Good size Edwardian mahogany mirror back sideboard server with original bevelled mirror glass and quarter veneered drawer and door panels, circa 1910. Offers lots of storage with the full width fixed shelf and drawers, but the mirror and high legs help to lighten the feel so it doesn't dominate your room. Good solid condition, but there are some age and use marks which I have left so the price reflects this...nothing awful, but mentioned so you are aware and can see the pics for more detail. The mirror section comes off for ease of moving. Measuring: 59 1/2 inches or 151 cm high 54 1/4 inches or 138 cm wide 19 1/2 inches or 49.5 cm deep 35 3/4 inches or 91 cm surface height.
