Description

A good mid 18th century oak three drawer Lancashire settle. As with most antique settles there are a few old repairs, but overall it is in nice original condition and with a good untouched patina. Very sturdy and providing great storage with the drawers rather than the lift up seats that usually succumb to more warping and hinge damage. All cleaned and wax polished ready to use. Seat Height - 46cm = 18 inches

Internal Ref: B-609
