Description

A charming and well proportioned Regency antique mahogany chest of drawers. The antique chest of drawers has an arrangement of two short over three long graduating drawers, each fitted with decorative brass backplates and drop handles. Raised on out-swept bracket feet. Beautiful colour and grain throughout. Item Ref; M-4744 . DIMENSIONS: Height - 107cm / Width - 107cm / Depth - 52cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and dents to the sides (pictured), further marks, scratches and stains to the front and top (pictured). There are splits and a patch repair to the bottom left foot (pictured), however this doesn't affect the overall integrity of the product. There is evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that...
