**Date of manufacture: 1940**

### Dimensions

Height = 30 cm (11.8")

Width = 20 cm (7.9")

Depth = 58 cm (22.8")

## Description

These magnificently regal mirrored Pair of Recumbent Lions in cast stone are posed so well and though resting are alert and ready for guard duty whilst lulling the unsuspecting into a false sense of security. The detail of their natural position is encompassed very well showing their outstretched paws with the ball between, the manes and faces and the relaxed tail resting to one side. They have a perfectly aged patina and would certainly add distinction to any entrance or garden they are placed within.

Internal Ref: WA012
