Description

A neatly proportioned 19th century antique mahogany bow front chest of drawers. The antique mahogany chest of drawers has an arrangement of two short over three long drawers, each fitted with decorative brass lion head pull handles. The antique chest of drawers is raised on bracket feet. A rather charming example. Item Ref; M-4737 . DIMENSIONS: Height – 103.5cm / Width – 104.5cm / Depth – 53cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured), also splits and fading to the sides (pictured). There are losses to the drawers beading, also patch repairs to the veneer at the top and front (pictured). There are further repairs to the feet, however this doesn't affect the overall integrity of the product. The antique mahogany bow front chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photo...
