Description

Circa 1910-1930 an unusual hand painted decorative oil lamp on a brass column with the original polished terracotta base and period etched glass shade. The font is painted in a delicate shade of pale, almost transparent green in a design reflecting the changes in style during this period. The lamp measures 58.5cm to the top of the glass funnel, the base is approximately 18cm in diameter. Both wick handles have the word DUPLEX on them, and the wording on the glass funnel is: FIRE PROOF, MADE IN CZECHOSLOVAKIA. Postage and packing for two parcels in the UK only is included in the price. We send the shades out in a separate box to prevent damage.
