Description

J. Mundell (fl. 1850-70): A good framed marine oil painting on canvas of shipping on choppy seas off the South Coast of England. Signed to the lower right corner. It has been suggested that J. Mundell is actually a pseudonym of John James Wilson RA. Some light cracking to the paint, but none missing. In my opinion it would benefit from a clean. But otherwise it is in good condition, and easily go straight to hanging on your wall. Dimensions: Width: 24 inches (61cm). Height: 18 inches (46cm) Date: c.1860-70

Internal Ref: 1404/Q
