Description

What can we say about this exceptional piece of furniture? An absolutely truly wonderful Victorian American solid walnut shop cabinet! A very usually configured shop or collectors cabinet, the top section has an elegant carved pediment over four glazed doors. The base section has a bank of small drawers with side locking panels over a cupboard base in a kind of Wellington chest arrangement. The cabinet is a very well-constructed and extremely practical piece of furniture. The cabinet has been later sign written for use in fishing supplies shop and features a range of well-known angling brand names. This a truly unique piece that won't be around for long! Please see the other antique furniture we have listed for sale. Base height 107cm. This piece has been later hand sign written.
