Description

A lovely pair of antique leather top side tables in mahogany. They were made in England, they date from around the 1900-1920 period. They are of superb quality and are a great size. The tops have inset green leather surfaces with gold tooled edges. Each has a double depth drawer with beautiful solid brass handles, they sit on tapered legs with spade end feet, and have polished backs so can be used as free standing items. We have recently had these re-polished, they are in very good condition for their age, with just some minor wear remaining beneath the polish here and there. Width – 19 inches , 47 cm Depth – 28 inches , 70 cm Height – 25 inches , 64 cm
