Description

Beautifully Carved Corner Display - Walnut - circa 1860 A fine example of design this small corner display cabinet is in excellent order. Excellent carved detail throughout and a highly stylized field panel door show the high quality of the piece. The brass handle fitting is fine quality and wonderfully presented. The cabinet has a vintage storage sticker to the rear which shows that the piece spent at least some of the last 150 years in the Yorkshire area. Overall a very lovely item, nicely presented and full of interest.
