Description

A superb pair of antique walnut bedside cabinets in the Queen Anne style. They were made in England, they date from around the 1920-30's. The quality is outstanding, they are beautifully constructed and have a very useful design. The tops are cross banded, they sit on short cabriole legs and have plenty of storage space. The walnut colour tones and grain patterns are absolutely gorgeous. We have had these recently re-polished, the condition is excellent for their age.
