## Description

We are delighted to offer this beautiful 9ct gold vintage ammolite necklace. The pendant features a gorgeous oval-shaped ammolite stone in the centre with an iridescent blue/green hue that changes tones drastically depending on the angle of the light. The colour-changing characteristics of ammolite make this piece an excellent accoutrement to wear, particularly in the summer months when the sunlight brings out its true beauty. Minimalistic in design and easy to compliment various clothing yet presenting a distinct and unique stone, this pendant would be ideal for discerning jewellery collectors who love to have something unique and a conversation starter. The pendant is marked "375" for 9ct gold and the included chain is marked 9ct. All of our jewellery comes with a complimentary hard shell gift box with a velvet interior. Size & Total Weight Pendant 2.3 x 1.4cm 41cm Chain. 4.66g /0.15 oz t Condition: Good vintage condition with no major issues/damage, some small bruises on the rear gold mount as photographed but nothing of significance or affecting usage. We aim to overemphasize and state these issues to avoid disappointment and thus please rest assu...
