This is a fine quality antique English Edwardian beech desk chair, circa 1910, incorporating a revolving mechanism, with a mahogany "saddle" shaped seat, which is in excellent original condition. The desk chair features a comfortable curved bar back, supported by an elegant vertical fan back and shaped supports. The seat is extremely comfortable to sit on, having a 'saddle' shaped seat. The Edwardian beech desk chair has been French polished, by hand, to a professional standard, in our workshop, therefore the colour and patination is of an excellent standard. The Edwardian office chair incorporates a revolving mechanism which rotates 360 degrees;...
