## Description

19th century English oak gothic armchair carved in solid oak. Having a typically angled, pointed arch over its high back with traditional gothic arches and finials. Good deep proportions having a padded back with inset and padded armrests with barley twist supports. The front legs are also barley twist with small brass castors. The back legs are out swept as an extension to the frame. Upholstered by us. This would make an ideal desk chair or reading chair.

Internal Ref: 3006
