Description

An elegant solid 14-carat white gold ring fashioned as a bow with a trio of diamonds along the centre. Dating from c.1940s, the ring is in very good vintage condition. There is a little normal surface wear to the gold and some of the rhodium plating (the bit that gives white gold its shiny chrome-like finish) is beginning to wear, so it appears more gold toward the back. Marked 14. Size: P and a half (UK), approx 8 (US). Weight: 3.5g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded. Please note antique boxes pictured are not included unless specified, your item will come in a new box.
