Description

Antique gilt adam style mirror We are pleased to offer you this Antique gilt adam style mirror that was made circa 1860. The original mirror glass with the good wide hand bevelled edge. The oval moulded wooden gilded frame, that has egg and dart moulding around the border. To the top and base there is the most attractive mounts of foliage and flowers, then the central Adam inspired urn to the centre. To the underside there is also a fabulous decorative mount again with foliage and floral motifs, that compliment the pediment to the top. It is desirable that the original glass has survived, there is very light foxing that does not affect the mirror but does add to the overall look on this mirror that is over 150 years old. Image this magnificent antique gilt mirror in your home, and the wow factor it will give to a room. 93cms wide 36 1/2ins 98cms high 38 1/4ins 4cms deep 1 1/2ins All dimensions are approximate, whilst we take as much care as possible, we can be marginally out.
