Description

An early figured walnut chest on chest which is probably Queen Anne period (1702-1714). The upper section has a cavetto cornice above three short drawers and three long feather and cross banded graduated drawers. The base is fitted with three further long matching drawers, the whole fitted with brass batwing escutcheons and raised on later (19th Century) bracket feet. This piece has an exceptional patina and is in good order with the drawers all moving easily. We can discuss delivery arrangement in UK mainland and we can quote for international delivery. Payment by bank transfer, PayPal or card via telephone.
