Description

Technical Description A very elegant 18th century wine glass dating to c1750. It has a trumpet bowl above a multi spiral air twist stem with a shoulder knop. Conical foot. If you consider the solid section at the base of the bowl as part of the stem, then the glass should be classified as having a composite stem. If, however you consider it as a extension of the bowl, then it's an air twist stem. Either way it's a very elegant example. **Date & Origin** England, c1750. Period of George II. **Condition** Excellent, no chips cracks or restoration **Dimensions** Height: 16.8cm Rim diameter: 6.7cm Foot diameter: 7.2cm **Historical Context** Hand-blown around the time the first patent for a one-piece pencil with eraser was issued to American inventor J. Rechendorf of New York City.
