Price

Sold**Item Reference: SA995968****Date of manufacture: 1870**

Dimensions

Height = 14.5 cm (5.7")

Description

Technical Description A very unusual Victorian brass bobbin holder dating to c1870. It has a central acorn finial with six bobbin holders. Engraved ED 1871 with a hexagonal pedestal stem with annulated knops. Terraced foot. We have sold a number of bobbin holders over the years and this particular form is difficult to find. Date & Origin England, c1870. Condition Wear consistent with age and in full working order. Dimensions Height: 14.5cm, Diameter: 13cm.

Internal Ref: 2023061315
