Depth = 61 cm (24.0")

Description

A simply beautiful Irish mahogany blanket chest on stand, lined with cedar wood throughout. Retaining all the original and heavy brass handles and escutcheon plate, This chest came from a house in Antibes, I've known it for many years, this chest was used to travel, as the heavy and large brass handles and cedar wood lining would testify to this ... The chest was recently waxed after travelling from France. Viewing welcome, extremely rare. Worldwide shipping available.

Internal Ref: Irish chest rare
