Description

Superb quality figured mahogany antique circular extending 10 seater dining table having a moulded edge with 5 extra leaves supported by turned mahogany columns standing on shaped sabre legs with original brass feet united by a circular mahogany undertier. It is accompanied with a later mahogany table leaf cabinet with brass handles. A magnificent example of first class design and craftsmanship and even though it does not bear the maker's mark it was most certainly crafted by one of the leading makers of the period and likely a commission piece due to the quality and the design being very rare. It makes a fabulous piece with and without the leaves and the addition of a bespoke storage cabinet is unique. Dimensions: Height 74 cm (29.13 in) Width 213 cm (83.85 in) Depth 213 cm (83.85 in) Without leaves H 74 x W 153.5 x W 153.5 cm (29.13 x 60.43 x 60.43 in) Dated 1910
