Depth = 90 cm (35.4")

Description

A large scale Convalescing invalid reclining armchair by Collinge & Co Ltd of Burnley, Lancashire - England. A very high quality frame raised on oversized spoked brass casters. The chair operates in so many different ways and has so many variable positions its difficult to put into words so I have taken ample photographs to give a good idea of how the chair operates. This is a substantial chair of large proportions and is in very good condition both structurally and the upholstery. As with all my upholstered seating I do offer upholstery should you wish. 69cm wide 90cm deep 112cm high 205cm reclined 45cm seat height
