Description

Fabulous pair of marquetry inlaid mahogany Sheraton revival tapered column lamps on square ebonised bases, fully rewired and PAT tested. Circa 1900. Wonderful colouring to this pair of lamps with the pale mahogany and box wood marquetry contrasting so well with the black ebonised bases. The lamps are baized to the underside so they can be placed on a polished surface with no fear of scratching. Priced as a pair and INCLUDING free delivery within mainland UK, the shades are just my studio examples. Any queries, don't hesitate to ask! Measuring: 19 1/2 inches or 49.5 cm to the bulb holder 6 3/4 inches or 17 cm² bases
