Description

For those of you that follow my website you will know I specialise in French Oak Farmhouse Tables, but this table is once in 10 years for me. Its simply huge at 321cm in length by 110cm wide which is incredibly rare to find a good depth. Made from solid Oak and it weighs a tonne, the top is 8cm thick, of excellent quality construction and dating to the early 1900s this table will be around for generations to come. We have bleached it for a lighter look and to bring out the natural beauty of the wood. This really is a stunning table and has lots of character. It comes apart for access into the home and in overall excellent original condition. Length 321 cm Depth 110 cm Height 76 cm End Overhang 40 cm Top Thickness 8 cm
